Description

History

I propose an interactive session introducing ConscienceLAND, a decentralized and borderless description of the future we want, offers diverse pathways to freedom, justice, harmony & peace - organized by our individual social responsibility (ISR) while serving our communities, connecting human spirit and potential in the ConscienceVERSE.

The ConscienceLARP is a dynamic, hybrid, WEB3 based Live Action Role Playing (LARP) game that begins with grounding, inward personal development, graduating to outward social and cooperative skills through community PIOT development and ultimately achieving a rapid
